## ABOUT US

Swayam Multi-Speciality hospital was established in 1990.  
We have the largest chain in India.

### \*\*\*\*\* MISSION STATEMENT \*\*\*\*\*

Faithful to our tradition, we provide the highest possible standard of care and treatment in a professional and compassionate manner to every person who avails of our services

### \*\*\*\*\* VISION & VALUES \*\*\*\*\*

Based on our Mission Statement, our vision and values are:

1. To build a first class patient focused service based on high quality and evidence based practice throughout the organisation.
  - 2.To provide this service as close to the patient as possible, in a well-managed and appropriate environment.
  - 3.To promote a culture that will :
    - a. Ensure high quality care/service is provided.
    - b. Ensure that decisions regarding delivery of care/service are patient focused and evidence based.
    - c. Support and invest in education and training, thereby promoting the continuous development of the workforce in order to maximise the potential of staff at all levels
- Goals

### \*\*\*\*\* GOALS \*\*\*\*\*

Continuously improve all our services through quality management.

1. Focus on our patients and deliver high quality service.
2. Involve all our partners in our quality improvement activities.
3. Empower employees to make appropriate decisions.
4. Have the highest degree of respect for one another and value diversity.
5. Use training, teamwork and open communication to enable all employees to achieve their full potential.
6. Recognise and reward employees' contributions.
7. Take all reasonable steps to ensure that patients, visitors, staff and all others in contact with the Hospital are afforded the safest possible environment.
8. Maintain the highest ethical standards in protecting the public and the environment.
9. Measure the effectiveness of our activities and monitor progress towards achieving our Vision History and Tradition

### \*\*\*\*\* VALUES \*\*\*\*\*

#### COMPASSION:

We have a deeper level of patient understanding and are always empathetic to their needs. This encourages a culture of providing a higher standard of patient-centred care. We respect each

other and our patients, and ensure that their needs are met with dignity.  
We rise to the occasion each time for we recognise the positive social impact we can create.

EXCELLENCE:

We ask more of ourselves and are always passionate about achieving  
the highest standards of medical expertise and patient care. We understand that being  
the best is a continuous journey of becoming better versions of ourselves every day.

EFFICIENCY:

We create a responsive healing environment, by being nimble to  
the needs of our patients and delivering what they really need with precision  
and timing. We are focused yet fast, personal yet practical, advanced yet seamless  
in delivering the exact care our patients need.

CONSISTENCY:

We always deliver on our commitment and ensure the highest level of  
patient care is met at every stage, every time.  
We believe that only through consistency can we achieve  
our patient's trust and fulfil our goals.
